**STIPULATION AND ORDER TO
AMEND CASE SCHEDULE RE
DAMAGES DISCOVERY**

STIPULATION

The parties stipulate through their respective attorneys of record to the following:
Plaintiff was treated by at least 10 medical providers for various medical conditions,
some of which were allegedly related to the subject incident. Obtaining Mr. Stroupe's
medical history is necessary for assessment by both sides in the lawsuit. Combined

efforts by both the attorneys to secure the records of that history have thus far been largely unsuccessful. Most of the providers are in California and several of them are retired. Accordingly, the parties need more discovery time with respect to damages witnesses, both lay and expert. They request that the Scheduling Order be amended to extend the date for disclosure of damages expert testimony from September 21, 2005 to November 7, 2005 and to extend the date for completion of damages discovery from November 20, 2005 to December 23, 2005.
